Outdoor Pursuits & Leadership Course

Lough Allen Adventure runs an Outdoor Pursuits and Leadership Course in association with Leitrim V.E.C. and Lough Allen College, Drumkeeran.

What Is The Course About?

The course offers training in many skills including canoeing, windsurfing, mountain skills, computing, communications plus expedition and leadership training.

How Long Is The Course?

The course runs from September to May. Students can attend the course for one or two years.

What Is The Certification?

Participants can achieve an FETAC level 5 Certificate in Outdoor Recreation (DOREC). Certificates of proficiency in outdoor skills are issued through the national governing body for each activity. All awards are transferable to third level education establishments or directly to employment.

Subjects Include:

- Outdoor Recreation
- Kayak Skills
- Communications
- Work Experience
- Powerboat Skills
- Windsurfing
- Adventure Activities
- First Aid
- Outdoor Leadership and Safety
- Hill Walking Proficiency

Funding

Funding is available depending on eligibility.

- PLC Maintenance Grant
- Back to Education Allowance

Who Can Apply?

The course has Department of Education approval, and applications are invited from PLC students and all other interested parties. No previous experience is necessary, and there is no age restriction.

Selection process will be based on interview.
